CAREER OBJECTIVE

Recent graduate in Digital Media Design and Production, skilled in front-end development with a strong foundation in UI/UX design principles. Currently advancing my front-end development education through specialized bootcamps. Seeking a junior web developer position to leverage my background and advance my career towards full stack development.

EMPLOYMENT HISTORY

WEB DEVELOPER INTERNSHIP

April 2024 – Present

Red Beard Cabinets, Kansas City, Missouri

- Managed all facets of website creation, from design conceptualization and development to hosting and maintenance.
- Conducted competitive audits to ensure the website met industry standards and surpassed benchmarks of similar companies.
- Enhanced social media integration on the company website to strengthen online presence.
- Created detailed mockups and interactive prototypes, presented to the owner to ensure client satisfaction.
- Developed the website using scalable tools and technologies to support future growth and expansion.
- Conducted research to identify the most suitable web hosting options tailored to clients' specific needs.

CARPENTER

October 2023 – April 2024

Goodpasture Custom Woodworking, Ooltewah, TN

- Enhanced attention to detail through hands-on experience in cabinet building process.
- Performed heavy lifting and transportation of cabinets, ensuring safe handling and installation.

SERVER

April 2020 – March 2021 and August 2022 – October 2023

Amigos Mexican Cocina, Harrison, TN

- Developed skills in pacing and prioritizing tasks based on their importance to ensure efficient workflow.

CLOSING SERVER

March 2021 – July 2022

STIR, Chattanooga, TN

- Gained insight into the importance of contributing to a high-functioning team.
- Recognized and embraced the significance of a strong company culture.

DEPARTMENT MANAGER – SPORTING GOODS

May 2018 – September 2019

Walmart, Ooltewah, TN

- Provided team leadership to achieve common organizational goals.
- Ensured compliance with ATF regulatory standards.
- Assisted in the transition of a Walmart location in Memphis into a regional teaching store.
- Managed inventory to maintain optimal stock levels and accuracy.
